Project Concept

1 Player Control

You control a *Soldier* in this *Top Down* game
where *ZQSD, Spacebar and Sprint* makes the player *Moves in every direction and shoot and dash*

2 Basic Gameplay

During the game, *Enemies and a boss will* appear from *Everywhere*
and the goal of the game is to *Survive the longest and have a highscore*

3 Sound & Effects

There will be sound effects *When shooting, dashing, killing an enemy, taking damage or when the boss appears.* and particle effects *With the same things as sound effects*
[optional] There will also be *Background music if possible*

4 Gameplay Mechanics

As the game progresses, *Harder enemies will appear* making it *More difficult to survive*
[optional] There will also be *A boss at a specific wave*

5 User Interface

The *Lives, score* will *Decrease, increase* whenever *The player hits an enemy, kill an enemy*
At the start of the game, the title *Surviver* will appear and the game will end when *The player dies*

6 Other

Waves will be more difficult the longer the player survives.

Features
